Speaker: Paul A. Heidenreich, MD; Lisa Shieh, MD, PhD; Marina Basina, MD

Date/Time: 12/11/2026 7:30:00 AM

Location Stanford Hospital

Title: SHC Medicine Care Review Committee - 12/11/2026

Learning Objectives
After participating in this regularly scheduled series, participants should be able to:

1 Apply evidence-based guidelines and best practices to improve diagnostic reasoning, clinical decision-making, and management of medically complex patients.

2 Analyze peer review cases to identify opportunities to improve patient safety, timely escalation, communication, care coordination, and systems-based care.

3 Implement lessons learned from peer review and collaborate with the interprofessional healthcare team to reduce unwarranted practice variation and improve the quality, safety, and reliability of internal medicine care.

Accreditation
In support of improving patient care, Stanford Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation
American Medical Association (AMA)
Stanford Medicine designates this live activity for a maximum of 1.50 ***AMA PRA Category 1 Credits™***. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accessibility Statement
Stanford University School of Medicine is committed to ensuring that its programs, services, goods and facilities are accessible to individuals with disabilities as specified under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Amendments Act of 2008. If you have needs that require special accommodations, including dietary concerns, please contact the Departmental RSS Coordinator.

Cultural and Linguistic Competency
The planners and speakers of this CME activity have been encouraged to address cultural issues relevant to their topic area for the purpose of complying with California Assembly Bill 1195. Moreover, the Stanford University School of Medicine Multicultural Health Portal contains many useful cultural and linguistic competency tools including culture guides, language access information and pertinent state and federal laws. You are encouraged to visit the Multicultural Health Portal: http://lane.stanford.edu/portals/cultural.html
