Title: OHNS Grand Rounds - Quality Improvements (M&M)

Learning Objectives

After participating in this regularly scheduled series, participants should be able to:

- 1 Critically review current guidelines and best practices in order to develop strategies to apply in current medical practice.
- 2 Identify areas of practice without clear consensus and develop treatment plans based on current best evidence.
- 3 Analyze patient safety and quality of care improvement points to implement cost-saving practice and consistency of care.

Accreditation

In support of improving patient care, Stanford Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
