Speaker: Elisa Phillips, MD
Date/Time: 12/5/2022 8:00:00 AM
Location: Stanford Children's Health
Title: Pediatrics Morning Report - 12/5/2022

Learning Objectives
After participating in this regularly scheduled series, participants should be able to:

1. Identify key components of a history, physical exam, and laboratory/radiology results in order to develop a broad differential for the patient’s chief complaint and symptoms.

2. Develop a differential based on commonality, urgency, and applicability of the possible diagnoses in order to determine the best next steps in medical management.

3. Interpret medical findings and be able to compare diagnostic options, and then formulate assessment and plan based on the information provided.

4. Apply best evidence to medical decisions in order to provide optimal patient care.

Accreditation
In support of improving patient care, Stanford Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation
American Medical Association (AMA)
Stanford Medicine designates this live activity for a maximum of 0.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accessibility Statement
Stanford University School of Medicine is committed to ensuring that its programs, services, goods and facilities are accessible to individuals with disabilities as specified under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Amendments Act of 2008. If you have needs that require special accommodations, including dietary concerns, please contact the Departmental RSS Coordinator.

Cultural and Linguistic Competency
The planners and speakers of this CME activity have been encouraged to address cultural issues relevant to their topic area for the purpose of complying with California Assembly Bill 1195. Moreover, the Stanford University School of Medicine Multicultural Health Portal contains many useful cultural and linguistic competency tools including culture guides, language access information and pertinent state and federal laws. You are encouraged to visit the Multicultural Health Portal: http://lane.stanford.edu/portals/cultural.html
