Title: OB/GYN Grand Rounds - Changing management of early cervical cancer

Learning Objectives

After participating in this regularly scheduled series, participants should be able to:

- 1 Analyze emerging clinical practice guidelines in order to incorporate best practices into the care and management of our patients.
- 2 Recognize the complexity and needs of the patient population in OB/GYN and engage in compassionate patient centered care.
- 3 Identify and apply strategies to foster inclusive, diverse, accessible and equitable environments in training, research and healthcare delivery.

Accreditation

In support of improving patient care, Stanford Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
