Speaker: Xiao Yan Wang, MD

Date/Time: 4/7/2025 12:30:00 PM

Location A Live Webinar

Title: MMI

Learning Objectives
After participating in this regularly scheduled series, participants should be able to:

1 Apply insights into principles and evidence-based strategies that improve patient care and safety in hospital medicine.

2 Develop skills to utilize data and technology to support clinical decision-making.

3 Learn techniques for advocating for positive changes in healthcare practices and policies.

4 Recognize the role of research and evidence-based practice in enhancing healthcare delivery.

5 Identify opportunities for personal and professional growth to advance their careers and academic skills.

Accreditation
In support of improving patient care, Stanford Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation
American Medical Association (AMA)
Stanford Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accessibility Statement
Stanford University School of Medicine is committed to ensuring that its programs, services, goods and facilities are accessible to individuals with disabilities as specified under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Amendments Act of 2008. If you have needs that require special accommodations, including dietary concerns, please contact the Departmental RSS Coordinator.

Cultural and Linguistic Competency
The planners and speakers of this CME activity have been encouraged to address cultural issues relevant to their topic area for the purpose of complying with California Assembly Bill 1195. Moreover, the Stanford University School of Medicine Multicultural Health Portal contains many useful cultural and linguistic competency tools including culture guides, language access information and pertinent state and federal laws. You are encouraged to visit the Multicultural Health
Portal: http://lane.stanford.edu/portals/cultural.html
