Speaker: Jose Luis Sandoval Gutierrez, MD

Date/Time: 4/3/2026 12:00:00 PM

Location

Title: Pulmonary Vascular Disease (PVD) Grand Rounds - Pulmonary Hypertension LATAM Experience

Learning Objectives

After participating in this regularly scheduled series, participants should be able to:

- 1 Develop strategies for a timely and appropriate diagnosis and classification of the patient with suspect pulmonary hypertension.
- 2 Apply basic diagnostic and treatment algorithms to pulmonary hypertension patients and recognize when to refer to an advanced care center.
- 3 Critically review and analyze the latest research in the field of pulmonary vascular disease and develop strategies for current and future management practices.

Accreditation

In support of improving patient care, Stanford Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation

American Medical Association (AMA)

Stanford Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accessibility Statement

Stanford University School of Medicine is committed to ensuring that its programs, services, goods and facilities are accessible to individuals with disabilities as specified under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Amendments Act of 2008. If you have needs that require special accommodations, including dietary concerns, please contact the Departmental RSS Coordinator.

Cultural and Linguistic Competency

The planners and speakers of this CME activity have been encouraged to address cultural issues relevant to their topic area for the purpose of complying with California Assembly Bill 1195. Moreover, the Stanford University School of Medicine Multicultural Health Portal contains many useful cultural and linguistic competency tools including culture guides, language access information and pertinent state and federal laws. You are encouraged to visit the Multicultural Health
