Speaker: Eric Joon Yang, MD, PhD

Date/Time: 12/16/2025 8:00:00 AM

Location A Live Webinar

Title: AIMI Grand Rounds: Dr. Eric Yang, MD, PhD

Learning Objectives

After participating in this regularly scheduled series, participants should be able to:

1 Evaluate and select appropriate AI tools for specific clinical scenarios, considering factors such as accuracy, reliability, ethical considerations, and integration into existing workflows.

2 Develop strategies for the responsible implementation of AI in healthcare settings, aiming to enhance the quality of care delivery.

3 Utilize evidence-based guidelines derived from systematic reviews and clinical trials to inform decision-making regarding AI technologies in clinical practice to optimize patient outcomes.

Accreditation

In support of improving patient care, Stanford Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation

American Medical Association (AMA)

Stanford Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accessibility Statement

Stanford University School of Medicine is committed to ensuring that its programs, services, goods and facilities are accessible to individuals with disabilities as specified under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Amendments Act of 2008. If you have needs that require special accommodations, including dietary concerns, please contact the Departmental RSS Coordinator.

Cultural and Linguistic Competency

The planners and speakers of this CME activity have been encouraged to address cultural issues relevant to their topic area for the purpose of complying with California Assembly Bill 1195. Moreover, the Stanford University School of Medicine Multicultural Health Portal contains many useful cultural and linguistic competency tools including culture guides, language access information and pertinent state and federal laws. You are encouraged to visit the Multicultural Health

Portal: <http://lane.stanford.edu/portals/cultural.html>
