Title: Closing Time; and

Veterans' Health: Trends, Barriers to Access, and Unique Considerations for Providing Care to Combat Veterans

Learning Objectives

After participating in this regularly scheduled series, participants should be able to:

1. Describe classification and initial emergency management of open globe injuries.
2. Recognize zone-specific repair principles through illustrative cases.
3. Identify common complications and plan secondary interventions.
4. To understand what common barriers to healthcare access veterans face in America.
5. To understand prevalent combat-associated diagnoses and psychosocial issues that combat veterans may have.
6. To understand the theoretical concept of moral injury and how it applies in the setting of providing care to combat veterans.

Accreditation

In support of improving patient care, Stanford Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation

American Medical Association (AMA)

Stanford Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accessibility Statement
