Title: Abnormal Uterine Bleeding - 9/11/2025

Learning Objectives

After participating in this regularly scheduled series, participants should be able to:

- 1 Analyze emerging clinical practice guidelines, recommendations, and protocols in order to determine best practice strategies in the care and management of patients.
- 2 Incorporate practice guidelines and evidence-based protocols into clinical practice to ensure the best possible outcomes for patients across all primary care clinical sites.
- 3 Evaluate patient needs and determine if and when referral to subspecialty colleagues is appropriate.

Accreditation

In support of improving patient care, Stanford Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
