

Sponsored by:

**Speaker:** Eric Fombonne, MD

**Date/Time:** 1/7/2026 12:00:00 PM

**Location**

**Title:** Psychiatry Grand Rounds - Eric Fombonne, MD The elusive environmental autism toxin

---

### **Learning Objectives**

After participating in this regularly scheduled series, participants should be able to:

- 1 Present critical analysis of current practice patterns, updates from emerging research, and evidence based practice guidelines and translate these into clinical practice and improved quality of care.
- 2 Develop treatment plans for patients diagnosed with mental health disorders integrating psychopharmacologic, psychotherapeutic, psychosocial and neuromodulatory interventions.
- 3 Develop collaborative partnerships with leading experts from varying modalities of practice, specialties and professions with the goal of improving mental health awareness and services.

### **Accreditation**

In support of improving patient care, Stanford Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### **Credit Designation**

#### **American Medical Association (AMA)**

Stanford Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### **Accessibility Statement**

Stanford University School of Medicine is committed to ensuring that its programs, services, goods and facilities are accessible to individuals with disabilities as specified under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Amendments Act of 2008. If you have needs that require special accommodations, including dietary concerns, please contact the Departmental RSS Coordinator.

### **Cultural and Linguistic Competency**

The planners and speakers of this CME activity have been encouraged to address cultural issues relevant to their topic area for the purpose of complying with California Assembly Bill 1195. Moreover, the Stanford University School of Medicine Multicultural Health Portal contains many useful cultural and linguistic competency tools including culture guides, language access information and pertinent state and federal laws. You are encouraged to visit the Multicultural Health

Portal: <http://lane.stanford.edu/portals/cultural.html>
