

Sponsored by:

**Speaker:** Barbara Erny, MD

**Date/Time:** 1/16/2026 12:00:00 PM

**Location** A Live Webinar

**Title:** Human and Planetary Health Lecture Series - 1/16/2026

---

### **Learning Objectives**

After participating in this regularly scheduled series, participants should be able to:

- 1 Describe the major health impacts of climate change, including heat-related illness, vector-borne disease, respiratory conditions, and the exacerbation of health inequities.
- 2 Analyze the contribution of the healthcare sector to greenhouse gas emissions and identify opportunities to reduce the environmental footprint of clinical practice and health systems.
- 3 Apply evidence-based strategies to integrate climate-related considerations into patient counseling, clinical workflows, quality improvement initiatives, and institutional sustainability efforts.

### **Accreditation**

In support of improving patient care, Stanford Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### **Credit Designation**

#### **American Medical Association (AMA)**

Stanford Medicine designates this live activity for a maximum of 1.00 **AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### **Accessibility Statement**

Stanford University School of Medicine is committed to ensuring that its programs, services, goods and facilities are accessible to individuals with disabilities as specified under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Amendments Act of 2008. If you have needs that require special accommodations, including dietary concerns, please contact the Departmental RSS Coordinator.

### **Cultural and Linguistic Competency**

The planners and speakers of this CME activity have been encouraged to address cultural issues relevant to their topic area for the purpose of complying with California Assembly Bill 1195. Moreover, the Stanford University School of Medicine Multicultural Health Portal contains many useful cultural and linguistic competency tools including culture guides, language access information and pertinent state and federal laws. You are encouraged to visit the Multicultural Health

Portal: <http://lane.stanford.edu/portals/cultural.html>
