Title: SHC Trauma Care Review Committee - 12/15/2026

Learning Objectives
After participating in this regularly scheduled series, participants should be able to:

1 Apply evidence-based guidelines and best practices to improve the evaluation, resuscitation, and management of injured patients.

2 Analyze trauma peer review cases to identify opportunities to improve clinical decision-making, systems of care, patient safety, and quality.

3 Implement lessons learned from peer review and collaborate with the multidisciplinary trauma team to improve patient outcomes, reduce unwarranted practice variation, and strengthen the reliability of trauma care.

Accreditation
In support of improving patient care, Stanford Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation
American Medical Association (AMA)
