**Accessibility Statement**  
Stanford University School of Medicine is committed to ensuring that its programs, services, goods and facilities are accessible to individuals with disabilities as specified under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Amendments Act of 2008. If you have needs that require special accommodations, including dietary concerns, please contact the CME Conference Coordinator.
The Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION
The Stanford University School of Medicine designates this live activity for a maximum of 18.75 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements as long as the course is certified for ANA/PRCA Category 1 Credit® (n.ca.gov). Nurses will receive a Certificate of Participation following this activity that may be used for license renewal.

FACULTY DISCLOSURE
The Stanford University School of Medicine adheres to ACCME CME Criteria, Standards and Policies regarding industry support of continuing medical education. Disclosure of faculty and their commercial relationships will be made prior to the activity.

ACCREDITATION
This course is designed for physicians preparing for the ABIM certification exam in Gastroenterology and Hepatology for both initial certification as well as those recertifying. In addition, this course will provide a comprehensive overview of key diseases in gastroenterology and hepatology.

LEARNING OBJECTIVES
• Prepare for initial certification or recertification of the gastroenterology board exam with confidence in answering case-based questions.
• Develop strategies to manage key diseases in gastroenterology and hepatology.

TARGET AUDIENCE
This national program is designed for physicians, fellows, physician assistants, nurse practitioners, and other medical professionals with an interest in the field of gastroenterology and hepatology.

STATEMENT OF NEED
This course is designed for physicians preparing for the ABIM certification exam in Gastroenterology and Hepatology for both initial certification as well as those recertifying. In addition, this course will provide a comprehensive overview of key diseases in gastroenterology and hepatology.

FACULTY
All faculty members are from Stanford University School of Medicine unless otherwise noted.

John Clarke, MD
Clinical Associate Professor of Medicine, Gastroenterology and Hepatology

Amanda Cheung, MD
Clinical Associate Professor of Medicine, Gastroenterology and Hepatology

Chris Cartwright, MD
Clinical Professor of Medicine, Gastroenterology and Hepatology
