Pediatric Dermatology and Ophthalmology 2020

February 7-8, 2020
The Lodge at Sonoma Renaissance Resort & Spa
Sonoma, CA

A Continuing Medical Education conference presented by the Department of Pediatric Dermatology and Pediatric Ophthalmology at the Stanford University School of Medicine

Sponsored by the Stanford University School of Medicine
Conference Location
The Lodge at Sonoma Renaissance Resort & Spa
1325 Broadway
Sonoma, CA  95476
T: 707-935-6600

Accommodations
Hotel Information
A block of rooms has been reserved at a reduced rate at the The Lodge at Sonoma Renaissance Resort & Spa for conference participants on a first-come, first-served basis and may sell out before January 9, 2020. After this date, reservations will be accepted on a space available basis and at regular resort rates.

*Plus Taxes, California Tourism Fee, and Resort Fees per night.

All room reservations must be accompanied by a first night room deposit or guaranteed with a major credit card. Room rates are subject to applicable state and local taxes (currently 12% Occupancy + 2% Sonoma County Tourism Tax, plus a $1 per room, per night California Tourism Assessment Fee and $18.00 daily resort fee) in effect at the time of checkout. The resort fee is also taxable 12% plus the 2% Sonoma County Tax.

Room reservations should be made directly with the The Lodge at Sonoma Renaissance Resort & Spa by calling (888) 710-8008. Please mention “Pediatric CME 2020” to receive the group rate.

Conference Materials
The syllabus will be transmitted electronically prior to the course. Access to the materials will be emailed to all registrants two weeks before the conference for downloading or printing. A printed syllabus is optional; please check the appropriate box upon registration.

Cancellation and Refund Policy
Cancellations received in writing no less than 20 days before the course will be refunded, less a 20% administrative fee. No refunds will be made on cancellations received after that date. Please send cancellation requests to lpchcme@stanfordchildrens.org. Stanford Children’s Health reserves the right to cancel this program; in the event of a cancellation, course fees will be fully refunded. We are not responsible for other costs incurred such as non-refundable airline tickets or hotel penalties.

Special Needs
Lucile Packard Children's Hospital Stanford is committed to making its activities accessible to all individuals. If you have needs that require special accommodations, including dietary concerns, please call the continuing medical education department at (650) 498-6757 before January 24, 2020.

Accreditation and Designation of Credits
The Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The Stanford University School of Medicine designates this live activity for a maximum of 11.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements as long as the course is certified for AMA PRA Category 1 Credits™ (rn.ca.gov). Nurses will receive a Certificate of Participation following this activity that may be used for license renewal.

Statement of Need
The overall goal of this CME course is to provide current clinical advances in pediatric dermatology and ophthalmology. The faculty will present a variety of topics in lectures and panels that will include, in part, such topics as: rashes, asthma, pediatric glaucoma, acne, drug related hypersensitivity, periocular hematomas, alopecia, genetic skin diseases, and many more relevant topics.

This course is designed to provide pediatric and family medicine practitioners with increased knowledge and competence in these common and not-so-common conditions in pediatric dermatology and ophthalmology.

Learning Objectives:
At the conclusion of this activity, participants should be able to:
• differentiate between several different rashes in infancy.
• develop a strategy to prevent blindness from glaucoma in the child.
• differentiate between genetic and bacterial skin diseases and develop a strategy to treat each.

Target Audience
This is a regional program designed for:
pediatricians
family practice physicians
dermatologists
ophthalmologists
nurse practitioners
nurses
allied health professionals
Course Faculty

All faculty members are from the Stanford University School of Medicine unless otherwise noted.

Scott Lambert, MD
Professor of Ophthalmology and, by courtesy, of Pediatrics
Co-Course Director

Joyce Teng, MD, PhD
Clinical Professor of Dermatology and of Pediatrics
Co-Course Director

Shehla Admani, MD
Clinical Assistant Professor of Dermatology

Deborah M. Alcorn, MD
Associate Professor of Ophthalmology and of Pediatrics

Shannon Beres, MD
Clinical Assistant Professor of Neurology and Neurological Sciences, of Ophthalmology, and of Pediatrics

Derek Chu, MD
Clinical Assistant Professor of Dermatology (Pediatrics)

James Egbert, MD
Clinical Associate Professor of Ophthalmology (Affiliated SCVMC)

Benjamin Erickson, MD
Clinical Assistant Professor of Ophthalmology

Phuong Khuu, MD
Clinical Assistant Professor of Dermatology (Pediatrics)

Euna Koo, MD
Clinical Assistant Professor of Ophthalmology

Andrea Lora Kossler, MD
Assistant Professor of Ophthalmology

Ann Marqueling, MD
Clinical Assistant Professor of Dermatology (Pediatrics)

Prithvi Mruthyunjaya, MD
Associate Professor of Ophthalmology

Ann Shue, MD
Assistant Professor of Ophthalmology

Ed Wood, MD
Assistant Professor of Ophthalmology

Faculty Disclosure: The Stanford University School of Medicine adheres to ACCME Criteria, Standards and Policies regarding industry support of continuing medical education. Disclosure of faculty and their commercial relationships will be made prior to the activity.
