Welcome Letter from our Directors

[Event Information & Registration](#)

In the wake of the COVID-19 pandemic, [leading experts](#) have come together across disciplinary and national borders to address urgent public health needs, share vital data and research, and provide critical medical care.

We cordially invite you to join us as we hear from these experts at the International COVID-19 Conference, May 15th, 2020. Due to shelter-in-place, the Conference will take place on Zoom, 07:45 am to 1:15 pm (Pacific Time.)

This multi-disciplinary Conference will bring together public health officials, researchers, and physicians to share COVID information, discoveries, and stories. Together, we endeavor to increase knowledge, empower education, and positively impact our response to this pandemic.

Please join us in this bold initiative, and together we can make a difference in the fight against COVID-19.

Sincerely,
